Big success for the EGFL Challenge

The 9th of July, took place in Neuchâtel the 3rd edition of the EGFL (= European Gym For Life) Challenge.

It was in a crowded room at La Riveraine that the thirty groups, from twelve different countries, competed in inventiveness and originality to try to win one of the five prizes offered.

The EGFL gives the opportunity to nations from all around Europe to compete.

The jury will analyze the groups according to four criterias: general impression, originality of the program, technique and safety, variation in rhythm and diversity.
